

Smart-CEOs Financial Consultancy Services

*****Your Trusted Financial Advisor,

Your Trusted Financial Advisor

Smart-CEOs Financial Advisory Services.

It is a "1 on 1" Financial consultation service.

Customized especially to support all CEOs and Decision Makers with our Canadian Approach to overcome and solve all financial issues, and manage concerns that would face them during their business management such as:

- 1. Cash Flow
- 2. Financial Reporting
- 3. Internal Control
- 4. Cost Saving & efficiency
- 5. Risk management

1- Financial Reporting Assist (FRA) Services

This professional service is dedicated specifically for the CEOS, Executives, and all non-finance Decisions makers.

Objectives:

To enhance your financial business awareness:

- Financial Reporting assist service provides the Executive managers & Directors with an extensive working knowledge of the critical financial principles.
- That knowledge can help them make better financial decisions in their organizations.

2- Second Financial Opinion (Double Check) Services

The successful CEO, MD or any non-finance Decisions makers always obtain a second financial opinion, to keep track of the profitability.

Objectives:

- This service will provide you with new ideas and practical solutions to help you successfully double-check your company's financial and accounting issues.
- Let you handle today's financial keys challenges in your organization.

Smart-CEOs
